TERMS AND CONDITIONS OF TRADE

The following terms and conditions of sale apply from 1 July 2015. Any transactions with Silverback Academic Media Limited (hereinafter referred to as "Silverback" unless otherwise specified) on or after 1 July 2015 are subject to these terms and conditions.

- Definitions
"Goods and Services" shall mean all publications, electronic or print including books, newsletters and notes.
- Prices
All supplies will be invoiced at the price prevailing at the time of dispatch. Prices are subject to change without notice.
- GST
All prices are inclusive of GST.
- Payment Terms
The 'payment due' date is printed on the invoice. Payment remittances must clearly set out all invoices that are being paid. Late payment may affect your credit facility.
- Overdue Accounts
Silverback reserves the right to withhold supply to any customer who trades outside the agreed trading terms. Late payment of accounts may lead to a reduction in discount for future supplies. The account will be closed and back-orders cancelled for persistent late payment.
- New Editions
Silverback will roll or substitute all orders to a new edition unless the customer otherwise instructs Silverback.
- Postage and Handling Fees
Silverback reserves the right to levy a freight fee on all orders. This fee will be invoiced to the purchaser once an order has been received and the freight charges have been calculated.
- Cancellation Fee
Silverback reserves the right to charge a processing fee for cancelled orders. Any ordered title which is received and processed by Silverback and is subsequently cancelled will be subject to a handling and processing charge of 10% of the net invoice total.
- Delivery
Silverback reserves the right to ship via the carrier of our choice in all cases. Silverback's obligation to deliver shall be discharged on arrival of the Goods and Services at the customer's designated delivery address, or at the address appearing on the customer's order.
- Return Rights
 - Application to return Goods must be made in writing and directed to the sales@scipad.co.nz, for approval prior to any physical return of Goods.
 - Returns will not be accepted after the start of Term 2.
 - Returned Goods must be satisfactorily packed and received by Silverback in saleable condition.
 - Invoice numbers must be quoted on all return requests.
 - Return freight is at the customer's expense.
 - A 'Return Authorisation' is valid for 30 days from the date it is raised, so Goods must be returned to Silverback within this time otherwise the authorisation is void and the Goods will not be accepted.
 - Goods must be the current edition and in print.
